REZONING/SMALL-SCALE AMENDMENT APPLICANTS PLEASE NOTE

Due to the large number of Rezoning/Small-Scale Amendment Applications received as of September 1, 2006 that meet the annual 80-acre county limitation imposed by Florida Statute 163.3187 for Calendar Year 2007, rezoning requests requiring a future land use map (FLUM) amendment have the following options:

OPTION FOR SUBMITTAL:

Rezoning requests requiring a future land use map (FLUM) amendment that meet criteria for a Rezoning/Small-Scale Amendment (criteria listed on Page 4, Item V of the Application Form) will be accepted by Santa Rosa County Planning & Zoning October 8, 2007 through October 19, 2007 during normal business hours*. On October 22, 2007, staff will conduct a lottery to determine which cases can be processed within the annual 80-acre county limitation imposed by Florida Statute 163.3187 for Calendar Year 2008. Applications submitted at that time will go to the County Commissioners beginning January 2008.

While statutory limitations prohibit processing of Rezoning/Small-Scale Amendment requests at this time, such requests will be accepted if submitted and processed as a Rezoning/Large-Scale Amendment subject to the submittal requirements indicated on the Rezoning/Large-Scale Amendment application form. Please note the additional data and analysis requirements on the form. Such applications must be complete and submitted by the application closing date(s) for public hearings and subsequent review by the state reviewing agencies.

APPLICATION SUBMITTAL DEADLINE DATES FOR REZONING/LARGE-SCALE AMENDMENTS (early submission is encouraged when feasible):

March 7, 2008 for May 2008 Local Planning Board Meeting August 29, 2008 for November 2008 Local Planning Board Meeting

NOTE: Requests for Rezonings that do not require FLUM Amendments will be accepted anytime. The <u>Rezoning Only Application</u> should be used for such requests. If you are unsure which application should be used for your particular request, please contact Santa Rosa County Planning & Zoning for verification.

IMPORTANT NOTES

- (1) Your application is not considered complete until <u>ALL</u> required information is received.
- (2) If you are requesting rezoning to a Planned Unit Development (PUD) or Planned Business District (PBD), you must submit a master plan per the checklist requirements of the Land Development Code, Article 6 (Section 6.05.12 for PUD, or Section 6.05.13 for PBD) with your application. Additionally, a pre-application meeting with Planning & Zoning Staff is strongly encouraged prior to submittal of a PUD or PBD rezoning request.

V. Rezonings that require a Small-Scale Amendment must meet EACH of the following criteria:

- site consists of 10 acres of land or less;
- does not involve the same property granted a change within the prior 12 months;
- the proposed amendment does not involve the same owner's property within 200 feet of property granted a change within the prior 12 months;
- only proposes a land use change to the Future Land Use Map for a site-specific small scale development activity;
- the property is not located within an Area of Critical State Concern; and,
- if the proposed amendment involves a residential land use, the proposed residential land use has a density of 10 units or less per acre.

<u>ADDITIONAL NOTE</u>: Per Florida Statutes, Santa Rosa County may only amend up to 80 acres per calendar year. Although your request may meet the criteria listed above, please check the Planning & Zoning link on the County website (or verify with the Planning & Zoning Office) to ensure your request will not exceed the County's annual acreage limitation prior to submittal. If the limit has been reached, alternate options for submittal may be available as posted on the website and/or verified by a Staff Planner.

VI. Notice Requirements:

The Planning Department will post a sign on the property prior to the public hearings. Letters stating the requested action(s) to be considered at the Local Planning Board and Board of County Commissioners' meetings will be sent via certificate of mailing by the Planning Department to all property owners within 500 feet of the subject property. As noted previously herein, the applicant is responsible for obtaining a printout and mailing labels from the Property Appraiser's Office indicating all property owners within 500 feet of the property or fifteen hundred (1,500) feet radius if located within the Rural Protection Zone. The printout and labels must be submitted to the Planning & Zoning Office with this application. Please note the Property Appraiser's Office only provides this information; other questions about the application or the process must be directed to the Planning and Zoning Office.

VII. Review Procedure:

- A. Once an application has been deemed complete, County staff will review the application for consistency with the Comprehensive Plan and Land Development Code.
- B. The Local Planning Board will consider the request at a public hearing and make a recommendation to the Board of County Commissioners (BCC). The BCC will consider the Planning Board's recommendation at a subsequent public hearing.
- C. If approved by the BCC, the amendment is submitted to the Florida Department of Community Affairs (DCA) and the West Florida Regional Planning Council for review. If no appeal is filed within 30 days of submittal, the amendment and rezoning become effective 31 days following adoption by the BCC.
- D. Depending upon the specific proposed use, the applicant may be required to undergo Conditional Use Approval prior to submitting for site plan review. If Conditional Use approval is given or is not required, the applicant must apply for site plan review prior to obtaining any building permits.

VIII. Certification and Authorization

By my signature hereto, I do hereby certify that the information contained in this application is true and correct, and understand that deliberate misrepresentation of such information will be grounds for denial or reversal of this application and/or revocation of any approval based upon this application.
